

## Review of Books

### By Madelyn Bennett Edwards

Evin J. Willman

★★★★★ **A real treasure by a new author. Can't wait to read more from her!**

January 25, 2018

Format: Paperback | [Verified Purchase](#)

Great read. Wonderfully developed characters and story. Loved it so much.

Alexis West

★★★★☆ **Brings up memories of growing up**

December 16, 2017

Format: Paperback | [Verified Purchase](#)

This is a very interesting tale. The story reminds me of where I grew up and the people and places. Being from the same area as the author, I was intrigued by this story.

★★★★★ **A great read!**

January 23, 2019

Format: Paperback | [Verified Purchase](#)

A wonderfully well written book that I couldn't put down, and the next one is even better! Emotionally charged read.

★★★★☆ **The history of the south was especially striking to me since I was brought up in the north .**

December 18, 2017

Format: Paperback | [Verified Purchase](#)

I very much like the flow of this story and the characters were clearly explained. The part I likes the least was an over abundance of physical descriptions of some places and characters.

Christine Rabalais

★★★★★ **Moving and honest**

January 2, 2018

Format: Kindle Edition | [Verified Purchase](#)

The book brought forth in very human terms not only the terrible injustices dealt to African Americans but also the pain of having to compromise true love with prejudices of the time.

★★★★★ **Catfish book by Madelyn Bennett Edwards**

October 31, 2017

Format: Paperback | [Verified Purchase](#)

Excellent, very strong character development. I am only on page 27 but love it already. Can not wait to read the rest.
